

## **RFP-TC1015 Addendum #1 - 9/20/2011**

### **Addendum 1.1**

TCC is amending RFP-TC1015 to REMOVE/EXCLUDE all network equipment, networking equipment installation services and training on networking equipment from RFP-TC1015.

TCC will be issuing a separate RFP for this equipment and services. The following scope changes have been made to RFP-TC1015.

Replace section "3. DESCRIPTION OF THE WORK" with the following language:

TCC is requesting proposals for low voltage data cabling and fiber cabling for operation of an internet connected network for our new facility.

TCC's successful respondent, for this project, will be the sole authority and responsible party for proposed installation. TCC desires to establish a contractual relationship focused on a single point of contact associated with all support through project closure. In the event TCC's supplier utilizes any subcontractors associated with our project for any part of the system architecture, design, planning, installation or support it is understood the supplier will be the sole responsible agent for all project activities.

It is the intent of this Request for Proposal that all responders shall provide a complete end-to-end solution for the installation associated with TCC's low voltage cabling needs. The supplier shall provide all design, planning, system architecture, hardware and installation and post-installation support for our project. TCC staff shall act in oversight and advisory positions only.

TCC's supplier is expected to submit a time-line for installation of the project hardware substantiating minimal impact of daily TCC operations and applicable TCC employees. TCC Project Managers will work with supplier to create a working project plan in an effort to achieve installation goals.

Re-number section '8.2.6. Patch Cables' to '8.1.11. Patch Cables'.

REMOVE/EXCLUDE from RFP-TC1015

Section 8.2. NETWORK EQUIPMENT

Section 8.3. TRAINING

Section 8.4. SOLUTION REQUIREMENTS

Section 8.7. MAINTENANCE AND SUPPORT

Remove rows 18-23 from TCC-RFP-TC1015 – Bid Pricing Schedule.xls

### **Addendum 1.2**

Remove Section "14. PROOF OF INSURANCE" and replace with the following:

## **14. INSURANCE & BONDING**

14.1 Proof of Insurance - Attach insurance certificates indicating liability insurance of a minimum of \$1,000,000 for each of the following: comprehensive general, motor vehicle, professional and worker's compensation.

14.2 Each Bid must be accompanied by a Bid Bond payable to the Owner for ten percent (10%) of the total amount of the Bid. When the Agreement is executed the bonds of the unsuccessful Bidders will be returned. The Bid Bond of the successful Bidder will be retained until the payment Bond and performance Bond have been executed and approved, after which it will be returned. The form of the Bid Bond shall be AIA Document A310-1970 Bid Bond or equivalent. A certified check may be used in lieu of a Bid Bond.

"The Contractor shall provide a Performance Bond and a Labor and Material Payment Bond in the amount of one hundred percent of the Contract Award written in the standard form of AIA Document A312. The cost of the bond shall be paid by the Contractor and included in his Bid as a unit price."

"The Contractor shall provide a Labor and Material Payment Bond in the amount of one hundred percent of the Contract Award written in the standard form of AIA Document A312. The cost of the bond shall be paid by the Contractor and included in his Bid."

"Bonds shall be written by companies satisfactory to the Owner and licensed in Maryland."

"The bond shall also contain the successful Bidder's guarantee to indemnify and save harmless the Owner and their agents, servants and employees from all costs, damages and expenses growing out of or by reason of the successful Bidder's failure to comply and perform the work and complete the contract in accordance with the contract."

"Bonds shall be submitted with the executed contract."

**END OF RFP-TC1015 Addendum #1 - 9/20/2011**
